

## Why choose us?

Walker Park Cafe & Centre is not just another catering service, it's a contribution to our work with young people.

Why use us as a catering service?

### YOUNG PEOPLE

Our cafe is a social enterprise operated by YMCA Newcastle, we believe every young person has the right to achieve their full potential. That's why all of our profits are reinvested into our work supporting the young people of Newcastle.

50% of young people in Newcastle leave school without 5 GCSE A\*-C grades, and local youth unemployment varies between 20-25%. Our goal is to provide young people with the opportunities, resources and support they need to access further education, training and employment.

### LOCAL COMMUNITY

Our catering service is operated from our 5 star rated community cafe and centre in Walker Park, a hub for the local area. Our catering service was originally established in 2011 by a group of young mums, the project allowed them to gain skills and qualifications that would allow them to get into employment. Two of the original young mums now work in our cafe!
